MEMORANDUM FOR : Deputy Director for Administration
VIA : Director of Data Processing
STAT FROM : 
Special Projects Staff/ODP
SUBJECT : Request for Approval to Submit an
Article for Publication

1. PURPOSE - This memorandum requests approval to submit an article for publication on a Local Network Communication System.

2. BACKGROUND - Attached is an unclassified article we wish to publish at the International Symposium on Local Computer Networks sponsored by IFIPS. As members of the Special Projects Staff/ODP, we are involved with the development of the SAFE System that will be implementing a local network. There is no reference in the paper to SAFE, the Agency, or any SAFE associated contractors. The parameters we use in the technical discussions are different from those currently being used for SAFE.

3. REQUESTED ACTION - In accordance with HR  paragraph 2.c. (1), attached is a Request to Submit for Publication. Approval is requested for our submittal for publication

STAT

STAT

Attachments:

- a. A Carrier-Sense Multiple Access, Multichannel, Wideband Local Network
- b. Outside Activity Approval Request

SUBJECT : Request to Submit Article for Publication

AUTHOR'S NAME :

[Redacted]

TITLE OF PUBLICATION : A Carrier-Sense Multiple Access,
Multichannel, Wideband Local Network

I have reviewed the attached article, to the best
of my knowledge have found it to be unclassified, and
approve it for publication.
